President

Subject : **2023 NATIONAL RESEARCH AND EXTENSION ADVOCACY
CONFERENCE FOR CHANGE (NREACH)**

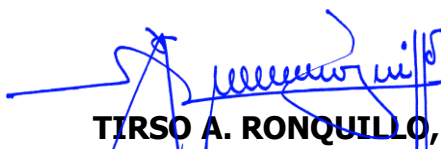

Date : July 06, 2023

This is to endorse the 2023 National Research and Extension Advocacy Conference for Change (NREACH), organized by the University of Rizal System (URS). The conference, with the theme "*Redesigning Opportunities in Advancing Research and Development and Extension for the iGeneration*", will take place on November 15-17, 2023 thru a hybrid format at URS Tanay Campus, and via Zoom.

The 2023 NREACH conference serves as a platform for various stakeholders such as academicians, researchers, managers, industrial participants and students to share their research findings with national experts. The conference has the following objectives: 1) bring together leaders in research and development, and extension services in a scholarly assembly; 2) provide a physical forum where the multifaceted relationship between research, development, and extension can be shared through plenary sessions; 3) showcase best practices in research and development, and service-learning through the presentation of qualified papers on research and extension; 4) stage and encourage a paradigm shift in advancing research and development, and extension targets that align with the needs of the new generation; and 5) foster inter and multidisciplinary approaches in conducting research and extension to tackle global sustainability challenges.

The organizers will be accepting abstract submissions until August 12, 2023. Interested presenters and participants may pre-register and access more information about the conference by visiting the official website at <http://nreach2023.urs.edu.ph/>.

Enclosed is the event briefer, for your ready reference. Your office may contact the NREACH Secretariat, via e-mail at nreach@urs.edu.ph or through the telephone numbers (02)-8539-9957 to 59 local 117, for further inquiries.

TIRSO A. RONQUILLO, ASEAN Eng.
President
